MESSAGE FROM THE ECM GOLF ACADEMY COACH

Dear Junior golfers,

I am excited to invite you to our memorable holiday golf camps. We look forward to welcoming you to Epsom College Malaysia for a valuable golf learning experience.

As a qualified PGA of South Africa Professional for 17 years with as much coaching experience I am happy to be sharing my insights with you. Having spent over a decade in Malaysia coaching many elite junior players I am glad to now focus my coaching attention solely on Junior Golfers attending Epsom College Malaysia or juniors joining our holiday & weekend camps.

I have been fortunate to play an eight-year role in the development of Malaysia's SDLPGA Development Programme and 11 years driving the growth of MST Golf Academy at Kuala Lumpur Golf & Country Club, one of the largest and most advanced golf academies in the region.

At ECM Golf Academy we are structured to train all levels of golfers ranging from beginner golfers just picking up the game to top elite-level amateurs. We use a holistic approach covering four main categories in our programmes namely; Technical, Mental, Physical and Strategy. We pride ourselves in understanding how to bring out the best performance from each of our students. Golfers attending the camps receive structured coaching from our highly qualified team of PGA Coaches while practicing on world-class functional practice facilities. We cover all areas of golf during the camp as well as a relaxing mid week excursion to break away from the training.

We offer full boarding options during our camps and campers enjoy healthy nutritious meals throughout their stay. Students also have the option to stay off-site and travel in daily for training. Parents can rest assured their children are safe and well looked after at Epsom College in Malaysia.

Looking forward to seeing you at Epsom College in Malaysia

Yours in golf,

TRAVIS VAN DIJK
HEAD COACH

SHAPING THE FUTURE OF GOLF

At our golf camps, we don't just teach the game of golf; we shape the future of junior golfers. Our commitment to excellence and holistic development ensures students receive a valuable and memorable experience that goes beyond just swinging a club.

Comprehensive Golf Training

Our camps offer everything a junior golfer needs to take their game to the next level. We provide exposure to cutting-edge technology, expert assessments, rigorous drills and training aids. Located within the school grounds, our state-of-the-art training facility is designed to be functional and provide an effective week of training.

World-Class Training Facility

Our training facility boasts a large short-game area featuring putting and chipping greens, green-side bunkers, a wedge training target system, and a grass and synthetic turf hitting area. In addition, we offer a fairway bunker and an "uneven lie" hitting station, allowing junior golfers to simulate a wide range of on-course scenarios.

Advanced Coaching Technology

We believe in equipping our students with the latest and best tools for success. That's why we offer coaching technology, including video capture, launch monitors, and pressure plates, giving junior golfers access to invaluable data and insights to enhance their game.

Balanced Learning and Fun

While our camps are focused on golf performance, we understand the importance of balance. Juniors get to enjoy various activities designed to break up the training mindset. From movie and board game nights to fun excursions and mixed sports, we ensure that our students remain engaged and entertained.
